

Leading People

Leadership Development Program

Who is this Program for?

- You work in an organization, preferably large corporate environment
- You want to develop personally, professionally and in the organization and are ready for a challenge!
- You are currently working at middle to senior Management Level
- You currently are or will be managing people in the near future

The Program Outcomes

Building the Leader

Through increased awareness of what makes you tick, you will understand your place in the world. You will learn tools aimed at developing you as an individual and into a leader.

Leading Others

You will deep dive into what makes an individual a leader for others. You will learn tools and approaches to make you an effective leader in a VUCA world

Leading Within the Organization

You will learn the importance of the Manager – Employee relationship and its impacts. You will get familiar with the process of supporting people through change. You will learn how to manage talent and prevent Burnout.

Program Content

Content can be adjusted and or expanded, depending on Company requirements

The Program

Building the Leader

Who am I as an individual?
